

## Deep Calls to Deep

Deep calls to deep in the roar of your waters  
All your waves and breakers have gone over me  
I drift down [in] to the depths of my longings  
Here I could sleep and suck the dark water in.

**Chorus:**

[But] deep calls to deep in the pounding of my heart  
[And] I will rise and kick and breathe your salty air  
But] deep calls to deep in the pounding of my heart  
[And] I will rise and kick and breathe your salty air

Deep calls to deep in the roar of your waters  
All your waves and breakers have gone over me  
I drift down [in] to the depths of my longings  
Here I could sleep and suck the dark water in.

**Chorus:**

[But] deep calls to deep in the pounding of my heart  
[And] I will rise and kick and breathe your salty air  
But] deep calls to deep in the pounding of my heart  
[And] I will rise and kick and breathe your salty air
