

Pushbike Song

Shh, ooh ooh, shh, ahh.....

Ridin' along on a pushbike honey, when I noticed you
Ridin' downtown in a hurry honey, down South Avenue
You looked so spunky, as you were ridin' along
You looked so spunky, as you were singin' this so-o-ong

Put on speed and I tried catchin' up, but you were pedallin' harder too
Ridin' along like a hurricane honey, spinnin' out of view
You looked so spunky, as you were ridin' along
You looked so spunky, as you were singin' this so-o-ong

Sing this song

Chorus:

Round round wheels goin' round and round
Down up pedals, down up down
But I gotta get across to the other side of town
Before the sun goes down. Hey, hey hey hey.

Now we're ridin' along on the bicycle, honey, that's a bicycle built for two
A-lookin' at my honey in the rearview mirror, Now I got a better view
You looked so spunky, as you were ridin' along
You looked so spunky, as you were singin' this so-o-ong

Sing this song

Chorus:

Round round wheels goin' round and round
Down up pedals, down up down
But I gotta get across to the other side of town
Before the sun goes down. Hey, hey hey hey.

Round round wheels goin' round and round
Down up pedals, down up down
But I gotta get across to the other side of town
Before the sun goes down. Hey, hey hey hey.
